

Dear CDA Member,

The construction industry is hosting the 8<sup>th</sup> Annual 2010 Colorado Construction Career Days (CCCD) event. It is scheduled for October 5 & 6, 2010, at the Adams County Fairgrounds, where we expect to host another 1,600+ enthusiastic students and educators. As you know, this industry-sponsored event is unique for Colorado educators; it helps educate students in career options in a way that's informative and fun. Lakewood High School Counselor, Kathy Liehi, described the event in a thank you note saying, "Lakewood H.S. always looks forward to this informative hands-on experience for our students. Every year we have students enroll in the Construction Program at Warren Tech after attending your career day."

It is important the students and educators have the same outstanding experience at the 2010 Colorado Construction Career Days as in past years and that we continue to build a strong workforce in construction despite the economic downturn. However, to maintain the event's success, we need the support and participation of the industry to provide that first-hand experience in construction careers.

We appreciate all the support we've received in the past and hope we can count on you again this year to get involved. Here are three easy ways:

1. Volunteer and become a group leader or general support volunteer
2. Create a hands-on skill or equipment activity for the students to explore
3. Commit to a CCCD sponsorship – your donation is tax deductible

For your convenience, attached you'll find a Volunteer & Activity form as well as a Sponsorship form. Completed forms can be returned by mail or fax 303.388.0936 and volunteers can register directly on line at [www.coloradoconstructioncareerdays.com/volunteer.htm](http://www.coloradoconstructioncareerdays.com/volunteer.htm). Should you have any questions feel free to call Lee Blum at 303.388.2422 or Lisa Platz, CCCD Coordinator, at 303.947.3178.

Many thanks for your support!

Lee Blum & Terry Kish  
Co-Chairs of Colorado Construction Career Days,  
Associated General Contractors of Colorado & Colorado Contractors Association

Enc.

### 2010 SPONSORSHIP FORM

The 2010 Construction Career Days Committee and the construction industry are preparing to host 1600 students from schools all over the state at the 2010 Colorado Construction Career Days event on October 5 & 6, 2010. Volunteers and financial sponsors are needed to provide activities, equipment, and meet our expected costs to host this unique, fun, and hands-on exploration of careers in the construction industry.

We appreciate all the support we have received in the past for Colorado Construction Career Days. It has made an impact on students, administrators, legislators, and even our own industry. With your help and sponsorship, the 2010 Colorado Construction Career Days will continue sending the message to students that the construction industry has many career choices.

We encourage the continued support from the construction industry and interested organizations for this event, which gives students the opportunity to explore careers in construction. We are in need of sponsorships to meet our expected budget for expenses. This budget is used to help with bus transportation for schools lacking sufficient funds, student lunches and beverages, student safety equipment such as hard hats, glasses, and safety vests.

Be a Champion of Construction Career Days by supporting the event at any level that works for you. No amount is too large or too small. Those who provide their logo and website link will see them displayed on the CCCD website.

You can also help by providing a hands-on activity, volunteering your time, or encouraging others at your organization to get involved. For more information, see the attached form, contact the Event Coordinator at [cccdcoordinator@agccolorado.org](mailto:cccdcoordinator@agccolorado.org), or visit our website at [www.coloradoconstructioncareerdays.com](http://www.coloradoconstructioncareerdays.com).

Complete the lower portion of this form and mail or fax it to us, or send the information directly to Lee Blum at the AGC office at 303-388-2422 or [lee@agccolorado.org](mailto:lee@agccolorado.org).

#### Colorado Construction Career Days Sponsorship Form

Return by August 27<sup>th</sup> to be included in the magazine.

Name: \_\_\_\_\_ Title: \_\_\_\_\_
